

January 26, 1976

Mr. President, your committee on Public Health, to whom was referred LB 65, instructs me to report the same to the Legislature with the recommendation it be advanced to General File as amended.

A notice of committee hearing, Mr. President, by Senator Kennedy on Public Health.

Mr. President, I move to withdraw LB 405. Signed, Senator Schmit. This was a motion that we'd earlier gone to and didn't get to.

SENATOR CAVANAUGH: Would you repeat that motion.

CLERK: The motion is: I move to withdraw LB 405.

SENATOR CAVANAUGH: Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature. If you remember this bill was introduced by the Agriculture Committee a year ago. In the bill we specifically asked for some money to be spent explaining agricultural programs and procedures across the State of Nebraska through educational TV. We did not think it would be as controversial as it was. There were some people who objected to the tone of the bill, saying that we had no right to program ... or tell ETV what to program. Since that period of time educational TV has undertaken additional attempts to meet the needs of the rural people. As a result of that effort in that direction, we would wish to withdraw the bill.

I don't think the bill is needed. I would like to also ask that its companion bill, LB 405A, be also withdrawn.

CLERK: Now, Mr. President, an identical motion on LB 405A. Signed, Senator Schmit.

SENATOR CAVANAUGH: (mic inactivated)... on LB 405A say aye, all opposed nay. LB 405A is withdrawn.

CLERK: Mr. President, I ask unanimous consent to bracket LB 491 until March 8th. Signed, Senator Mills.

SENATOR CAVANAUGH: Does anyone object? Is there an objection? No objection.

CLERK: Mr. President, I move we adjourn until 9 o'clock. Signed, Senator Mahoney.

SENATOR CAVANAUGH: Motion to adjourn. All in favor vote aye, opposed nay. We are adjourned.
